KEEP OUT OF REACH OF CHILDREN

WARNING: Causes eye, skin and respiratory irritation. Avoid contact with eyes, skin or clothing. May be harmful if swallowed or inhaled. Avoid breathing dust.

FIRST AID

If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, and then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.

If Swallowed: Call a poison control center or doctor immediately for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a poison control center or doctor. Do not give anything to an unconscious person.

Have the container label with you when calling a poison control center or doctor, or going for treatment.

FOR EMERGENCY MEDICAL INFORMATION, CALL: 1-800-328-0026.

PERSONAL PROTECTIVE EQUIPMENT

Persons handling concentrate must wear: Long-sleeved shirt and long pants, shoes, socks, chemical-resistant gloves made of any waterproof material such as polyethylene or polyvinyl chloride. Protective eye wear. Appropriate respiratory protection is required when ventilation is inadequate and occupational exposure limits are exceeded. **Persons handling dilute 1% solution** may reduce personal protective equipment under normal use conditions to general ventilation.

DIRECTIONS FOR USE

Ecolab Contact Formula - CR can be used indoors and outdoors to control accessible, exposed stages of German cockroaches.

For use in and around but not limited to areas such as: Apartment buildings, atriums, bakeries, beverage plants, bottling facilities, breweries, cafeterias, candy plants, canneries, cereal processing and manufacturing plants, cruise ships, dairy barns, poultry facilities, flour mills, food processing plants, frozen food plants, homes, hospitals, hotels, houses, industrial buildings, kennels, kitchens, laboratories, manufacturing facilities, mausoleums, meat processing and packaging plants, meat and vegetable canneries, motels, nursing homes, office buildings, organic facilities, restaurants, retail buildings, schools, stores, supermarkets, warehouses, other public buildings and similar structures, aircraft, buses, trucks, trailers, rail cars and marine vessels.

Dilution: Using enclosed scoop, mix one scoop (37.4 grams) of *Ecolab Contact Formula - CR* into one gallon of warm water, resulting in a 1.0% *Ecolab Contact Formula - CR* use solution. Use diluted solution within 24 hours after mixing to avoid product settling in application equipment.

Application: Apply this product as a surface spray or foam. Food-contact surfaces and equipment must be covered during treatment or cleaned with an effective detergent and rinsed with potable water before reuse. This product provides contact kill with no residual activity. For best results, apply in such a manner that cockroaches are contacted directly with the liquid or foam barrier and become saturated.

Application Sites: Thoroughly spray areas where these insects are usually found with special attention to cracks and crevices, niches, dark corners, drains and other harborage sites.

STORAGE & DISPOSAL

Do not contaminate water, foodstuffs, feed or seed by storage or disposal.

Pesticide Storage: Store in a cool, well-ventilated area. Keep container tightly closed.

Pesticide Disposal: If waste cannot be disposed of by use according to label instructions, contact your state Pesticide or Environmental Control Agency or the local Hazardous Waste representative for guidance.

Container Disposal: Nonrefillable container. Do not reuse or refill this container.

If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
