Contains 0.32 lb. of Elemental Copper per Gallon

NET CONTENTS = 32 fl oz

EPA REG. NO. 53735-9-1258
EPA EST. NO. 57787-MI-1

PRODUCT DESCRIPTION (BOTTLED PRODUCT):

Arch HTH Algae Free is part of the Arch Chemicals, Inc. Family of products. Simply add once every four months and use in conjunction with a chlorinator, stabilized chlorinator, shock treatment or water balancer.

DIRECTIONS FOR USE (BOTTLED PRODUCT):

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

DOSAGE RATES

PREVENTATIVE : Add 16 fl oz of this product per 10,000 gallons pool water EVERY THREE MONTHS to prevent algae growth in all pool types.

TREATMENT: Add 32 fl oz of this product per 10,000 gallons pool water for SEVERE ALGAE.

WINTER DOSE: Add 16 fl oz of this product per 10,000 gallons pool water.

GENERAL DIRECTIONS

Do not use with any other copper based products.

1. Maintain pool water in the pH range 7.2 to 7.8. Adjust the pH to 7.2 for severe algae.
2. Ensure the filtration system is working properly and the filtration cycle is adequate.
3. A regular brushing program will assist in the removal of stubborn algae.
4. Calculate the volume of this product required for your pool (16 fl oz per 10,000 gallons).
5. Add the product directly to the pool, distributing it over as wide an area as possible.
6. While this product controls algae it is important that adequate levels of sanitizers (chlorine) be maintained to control bacterial growth.
7. Do not super chlorinate 48 hours before or after using this product.
8. Avoid adding other chemicals until this product has been circulated (filtered) for at least 24 hours.

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION**

This product may cause eye irritation and skin damage. Do not get in eyes or on clothing. In case of contact, wash thoroughly. For eyes, flush with plenty of water and get medical attention immediately. Harmful if swallowed. Do not induce vomiting or give anything by mouth to an unconscious person. If swallowed call a doctor.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Treated effluent should not be discharged in lakes, ponds or public water.

DISPOSAL

Do not re-use empty container. Wrap container and dispose of properly.

NOTICE

Neither Arch Chemicals, Inc. nor the seller of this product can accept any responsibility where the product is not used according to directions and for the manner in which it was intended.
