**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**Use Restrictions:** Each cake can treat up to 9.4 cubic feet. Two (2) cakes can treat up to 18.8 cubic feet. Kills Clothes moths and Carpet beetles and their eggs and larvae in clean, airtight containers, such as chests, trunks, and garment bags. Do not use dry cleaning bags, garbage bags or other containers that allow vapors to escape into occupied rooms. This product can damage some plastics, use only in polyethylene or polypropylene containers. Paradichlorobenzene should not be mixed or placed in contact with other moth preventive chemicals.

**Pre-Application Directions:** Before storing, dry clean, wash or brush articles to be protected. Prevents moth infestation regardless of fabric type.

**Application Directions:** Open plastic case. Unwrap each cake, and while holding each cake by the cellophane wrapper, transfer back into the plastic case. Place the filled plastic case at the top of the storage container. The vapors work downward. Keep product in airtight space for a minimum of 7 days. When cakes have dissipated replace with new unit. Odor quickly vanishes when articles are aired.

**Retreatment:** Since moths are active all year, replenish air-tight containers and bags 2 times a year.

**PRECAUTIONARY STATEMENTS**

**Hazards to Humans and Domestic Animals.**

**WARNING**

Causes substantial but temporary eye injury. Harmful if swallowed or absorbed through the skin. Causes eye, skin and respiratory tract irritation. Avoid breathing dust or vapors. Wear safety glasses. Do not get in eyes, skin and clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.

**NOTICE:** This product contains a chemical known to the State of California to cause cancer.

**FIRST AID**

If swallowed	<ul style="list-style-type: none"> <li>Call poison control center or doctor immediately for treatment advice.</li> <li>Have person drink several glasses of water.</li> <li>Do not induce vomiting.</li> <li>Do not give anything by mouth to an unconscious person.</li> </ul>
