Net Contents 4 oz. (113.4g)

# MOTH CAKE

### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.  
**Use Restrictions:** This product can treat up to 12.5 cubic feet. Kills Clothes moths and Carpet beetles and their eggs and larvae in clean, airtight containers, such as chests, trunks, and garment bags. Do not use dry cleaning bags, garbage bags or other containers that allow vapors to escape into occupied rooms. This product can damage some plastics, use only in polyethylene or polypropylene containers. Paradichlorobenzene should not be mixed or placed in contact with other moth preventive chemicals.  
**Pre-Application Directions:** Before storing, dry clean, wash or brush articles to be protected. Prevents moth infestation regardless of fabric type.  
**Application Directions:** Unwrap the cake, and while holding cake by the cellophane wrapper, hang at the top of storage container. The vapors work downward. Keep product in airtight space for a minimum of 7 days. When cake has dissipated replace with new unit. Odor quickly vanishes when articles are aired.  
**Retreatment:** Since moths are active all year, replenish airtight containers and bags 2 times a year.

### PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals.

#### WARNING

Causes substantial but temporary eye injury. Harmful if swallowed or absorbed through the skin. Causes eye, skin and respiratory tract irritation. Avoid breathing dust or vapors. Wear safety glasses. Do not get in eyes, skin and clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.

NOTICE: This product contains a chemical known to the State of California to cause cancer.
