EcoSMART™ COMMERCIAL CRAWLING INSECT KILLER

EcoSMART Commercial products use plants' own natural defenses to kill bugs – and keep them away. Made from a unique combination of specially formulated plant oils, EcoSMART is safe to use around children and pets. Plus there is no pesticide residue. **It's effective. It's safe. It's smart. Naturally.**

For more information about our technology and products, visit us at www.ecosmart.com.

KILLS: Ants, bedbugs, carpet beetles, carpenter ants, centipedes, cockroaches, crickets, earwigs, fleas, flies, millipedes, mosquitoes, moths, pillbugs, scorpions, silverfish, spiders, termites, and other crawling insect pests.

DIRECTIONS FOR USE:

SHAKE WELL BEFORE USING. READ ENTIRE LABEL AND USE ACCORDINGLY.

GENERAL USE DIRECTIONS: To spray, hold container upright. Point valve opening away from yourself and press button firmly.

Crawling Insect Treatment: Spray insect hiding places such as cracks, crevices and void areas around baseboards, floorboards, cabinets, around drains and water pipes, around appliances and any other locations where insects may be hiding. Contact as many insects as possible. Repeat as necessary.

Ant Treatment: Spray trails, mounds/nests, cracks and crevices around windows, doors, sills and baseboards, openings around pipes and any other locations ants may be entering. Contact as many insects as possible. Repeat as necessary.

Spider Treatment: Spray webs and places where these spiders nest. Contact as many insects as possible. Repeat as needed.

Carpet Beetle Treatment: Spray these pests directly on floor, baseboards, shelves and carpets. Repeat spraying at frequent intervals.

Bedbug Treatment: Spray cracks and crevices around baseboards, moldings, and floorboards. Spray mattresses particularly around seams and tufts. Take bed apart and spray all joints. Repeat as necessary.

Flea Treatment: Spray floors, floor coverings and sleeping quarters of pet. Repeat as needed.

Note: When used indoors, wipe away excess product.

Food Areas of Food Handling Establishments: Foods should be removed or covered during treatment. Wash or wipe away excess product.

PRECAUTIONARY STATEMENTS: While not required with EcoSMART's organic plant oils, we recommend good safety practices when using any insecticide, such as avoiding contact with eyes and skin. If product gets in eyes, flush with water. If on skin, wash with soap and water. If irritation persists, contact a physician.

PHYSICAL HAZARDS: Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause container to burst.

STORAGE & DISPOSAL: Store in a cool, dry area away from heat and open flame. When container is empty, recycle if available. If recycling is not available, wrap and place the empty container in a trash collector. Do not puncture or incinerate.

Questions or Comments: Call 1-877-667-0006 weekdays, 9:00 a.m. to 5:00 p.m. EST
Chemical Safety Information: Call 1-800-535-5053 anytime (InfoTrac Chemical Response System)
