

BugBand™ towelettes with Geraniol lotion are a safe and effective method of repelling blood-feeding insects such as mosquitoes, ticks, flies, gnats, no-see-ums and fleas. Geraniol has been extensively tested by the University of Florida and found to be an effective insect repellent. BugBand™ towelettes provide hours of protection from blood-feeding insects. It is also environmentally- and child-safe. BugBand™ does not contain DEET or any other synthetic ingredients. Perfect for all outdoor work and play activities such as gardening, lawn maintenance, camping, fishing, backpacking, golfing, hunting, beach vacations or cookouts. Easy to use. Safe and effective.

**CONTENTS:** 15 8"x6" towelettes with insect-repelling Geraniol lotion

**DIRECTIONS FOR USE:** Open and remove one BugBand™ towelette. Unfold the towelette and wipe the Geraniol insect-repelling lotion directly onto your exposed skin. Apply on hands, legs, neck, face, or any other exposed skin areas.

Adults should apply BugBand™ to children. The towelette can be used as long as it is moist. When returning indoors, wash treated areas with soap and water.

**PRECAUTIONARY STATEMENTS:**  
 Avoid contact with eyes. For external use only. Keep out of reach of children. Skin irritation may occur in rare cases. Obtain medical treatment should skin irritation persist.

**FIRST AID:**  
 If in eyes – flush thoroughly with water for 15 minutes.

**STORAGE AND DISPOSAL:**  
 Store in a cool dry area away from heat. If empty, do not reuse container. Place in trash or offer for recycling if available.
