BUG OFF!

BITING INSECT REPELLING WRIST BAND

Nothing To Apply
Non-Toxic • Reusable

CITRONELLA

Model AB12

BugOff! Insect Repelling Wrist Bands are a great alternative to other messy lotion or spray products. Infused with natural plant oils, simply remove the band from its reusable container and slip it around your wrist or ankle and its secretly formulated aroma will last for hours.

The BugOff! Insect Repelling Wrist Band is perfect for:

Gardening, Cookouts, Picnics, Outdoor Sporting Events, Hiking, Camping, Fishing, Auto Races and anywhere else you want to enjoy the great outdoors.

BugOff! is non-toxic, ozone safe, will not stain clothing and is waterproof. There is nothing to apply, no liquid mess, long lasting with a pleasant lemony scent.

Directions for use:

1. Remove BugOff! from its sealed two part reusable container (save the container for storage).
2. Place BugOff! around wrist or ankle or use multiple BugOffs and place around both wrists and ankles.
3. Return BugOff! to its container when not in use and store.
4. When used and stored properly, BugOff!'s aroma will last up to 180 hours.
5. Please dispose of properly in any waste receptacle.

CAUTIONS: In rare cases, certain people may experience mild skin irritation or rashes. If this occurs, wash affected area with mild soap and water and discontinue use. If product is ingested, nausea may occur. Drink plenty of water and, if symptoms continue, contact your physician.
