FIRST AID

If Skin or Clothing: Take of contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

If Swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor.

If on Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth to mouth if possible. Call a poison control center or doctor for further treatment advice.

Provide the product container or label with you when calling a poison control center or doctor, or going for treatment. For 24-hour emergency information on this product, call 1-800-969-5743 (US & Canada) or 1-515-533-0818 (all other areas).

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Harmful if absorbed through skin. Avoid contact with skin, eyes or lungs. Prolonged or repeated contact with skin may cause allergic reactions in some individuals. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Do not drink.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to aquatic organisms, including fish and invertebrates. Do not apply directly to or near water. Do not allow run-off from treated areas to enter surface waters. Wash immediate area with plenty of soap and water before re-entering the water. Do not contaminate water when disposing of equipment, washwater, or waste.

DIRECTIONS FOR USE

See Directions for Use for additional precautions and requirements.

CAUTION

Not for use in aircraft.

Applicators and other handlers must wear the following: Long-sleeve shirt and long pants; Socks and shoes; and Chemical-resistant gloves (such as barrier, nitrile, nitrile rubber or vinyl). See Directions for Use for additional precautions and requirements.

GENERAL SAFETY REQUIREMENTS

Follow manufacturer’s instructions for cleaning/maintaining PPE if no such instructions for washables exist, use detergent and hot water. Keep wash water separate from other laundry.
