**FOR HOSPITAL, SALON • BARBER SHOP USE**

**ACTIVE INGREDIENTS:**

- Didecyl Dimethyl Ammonium Chloride........................ 1.953%
- Dimethyl Benzyl Ammonium Chloride ....................... 4.340%

**TOTAL:**

100.000%

**OTHER INGREDIENTS:**

- In water to 400 ppm hardness in the presence of 5% serum contamination.

**DISTILLATION/VIRUCIDE/FORMULA AND WATER QUESTIONS: Apply use-solution to hard, nonporous surfaces, thoroughly wetting surfaces with a cloth, mop, sponge or by immersion. Treated surfaces must remain wet for min. 10 minutes. Disinfect nonporous, smooth surfaces with a cloth, mop, sponge or by immersion. For spray application, use a coarse spray device. Spray 6 inches from the surface; rub with a brush, sponge or cloth. Do not breath spray. Rinse all surfaces that come in contact with food as counter tops, appliances, tables and countertops with potable water before reuse. Do not use on nonmetallic and glassware.

**PRECAUTIONARY STATEMENTS:**

**DANGER.** Corrosive. Causes irreversible eye damage and skin burns. Do not get in eyes, on skin, or on clothing. Wear protective eyewear (goggles, face shield or safety glasses) and protective clothing and protective (rubber or chemical resistant) gloves. Harmful if swallowed or if absorbed. Do not drink. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

**FIRST AID:**

Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor for treatment advice. Do not give anything by mouth to an unconscious person.

**NOT TO BE INHALED**

**HAZARDS TO HUMANS DOMESTIC AND ANIMALS**

**STORAGE AND DISPOSAL**

Store original container in inaccessible to children. Do not store on site. Avoid creasing or impacting of side walls. Do not reuse empty container. Discard in trash.
SofiClean is a concentrated one-step disinfectant for use in healthcare facilities. It is effective against a broad spectrum of bacteria, and is virucidal, fungicidal, and inhibits the growth of mold and mildew, and their odors, when used as directed. It is effective in water up to 400 ppm hardness in the presence of 5% serum contamination. For use on non-food contact surfaces.

**ACTIVE INGREDIENTS:**
Alkyl (C14, 50%; C12, 40%; C16, 10%)

**OTHER INGREDIENTS:**
SofiClea

**One-Step Disinfectant**

**FOR HOSPITAL, SALON & BARBER SHOP USE**

**meets AACSC standards for hospital disinfectants**

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labelling.

**Preparation of Disinfectant (One-Solution):**  
Add 1 oz of SofiClean per gallon of water.

**DIRECTIONS FOR USE:**

**KILLS HIV AND HBV AND HCV ON PRE-CLEANED ENVIRONMENTAL SURFACES/OBJECTS PREVIOUSLY SOILED WITH BLOOD/BODY FLUIDS**

**Uses**

**FUNGICIDAL ACTIVITY**: SofiClean is a concentrated one-step fungicide at 1 oz. per gallon in 250 ppm hard water and 5% serum. SofiClean can effectively inhibit the growth of mold and mildew and the odors caused by them when applied to hard, nonporous surfaces. Follow disinfection instructions. Repeat treatment every seven days or more often if new growth appears.

**TREATMENT OF SKIN INFECTIONS:** SofiClean is a concentrated disinfectant cleaner that is effective against a broad spectrum of bacteria, and is virucidal, fungicidal, and inhibits the growth of mold and mildew, and their odors, when used as directed. It is effective in water up to 400 ppm hardness in the presence of 5% serum contamination. For use on non-food contact surfaces.

**SAFETY PRECAUTIONS:**

**First Aid**

Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor.

**STORAGE AND DISPOSAL**

Store original in containers inaccessible to children. Do not store on site. Avoid creating or impacting of side walls. Do not re-use empty container. Discard in trash or recycle.

**DANGER.** Corrosive. Causes irreversible eye damage and skin burns. Do not get in eyes, on skin, or on clothing. Wear protective eyewear (goggles, face shield or safety glasses), protective clothing and protective (rubber or chemical resistant) gloves. Harmful if swallowed or if absorbed through the skin. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

**NOTE TO PHYSICIAN:**

Probable mucosal damage may contraindicate the use of gastric lavage.
