Mon 63410

HERBICIDE

FOR EXPERIMENTAL USE ONLY

MON 63410 Herbicide is an experimental herbicide being evaluated for weed control in cotton and soybeans. MON 63410 Herbicide is to be used only at application rates of competitors and in accordance with the terms and conditions of the experimental use permit (EUP). All crops grown under this EUP must be destroyed or held in accordance with these terms. This label must be in the possession of the user at the time of application. MON 63410 is not for sale or use by any person other than a participant or cooperator of the EPA-approved experimental use program.

SHAKE WELL BEFORE USING

Keep out of reach of children.

CAUTION!

Protects by U.S. Patent Nos. 6,228,670 and 6,262,626. Other patents pending. No license to grant under any non-U.S. patents.

EPA Reg. No. 624-EIP-100
EPA Est. 624-14-1
